James

BY SONANCE

STANDARD AND UPGRADED FINISHES

James is pleased to offer a wide selection of standard finishes across the product portfolio. As an included feature of our products, please select from any of our standard color finishes, or upgrade to a completely custom color or laser printed design for an up-charge. Our team is dedicated to delivering premium solutions to suit your project design.
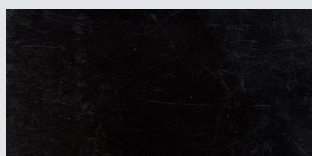

Order a color ring to help your customers select their finish.   **COLOR RING** SKU: 60611
